Real work, early on

From day one, you'll take on substantive, hands-on work for high-profile clients.

"I've had the freedom to seek out assignments that align with my interests, and I've been trusted with meaningful tasks that make me feel like a valued part of the team."

KIRKLAND SUMMER ASSOCIATE

KIRKLAND & ELLIS

Collaborative, mentorship-based culture

We're committed to mentorship, on-the-job guidance, and comprehensive legal education and development.

"As a junior associate, it means a lot that your colleagues are not only mentoring you, but also looking out for you and letting you know how you can improve."

KIRKLAND ASSOCIATE

Personalized career path

Our open assignment system allows you to select work you're interested in, with resources and support every step of the way.

"The ability to proactively choose who you work with and the types of projects you take on has been a highlight."
